

Outduction: Enhancing the Final Year Experience

Welcome!

Marion Webb
Peter Hughes

The
Higher
Education
Academy

- Housekeeping
- Welcome: Professor Julius Weinberg,
Vice Chancellor, Kingston University

Project Background

- 3yr NTFS project strand (2007-2010);
- Led by Kingston University in collaboration with the University of Bradford;
- A focus on investigating and enhancing the final year experience;
- And on enhancing the transition out of an honours degree – Outduction.

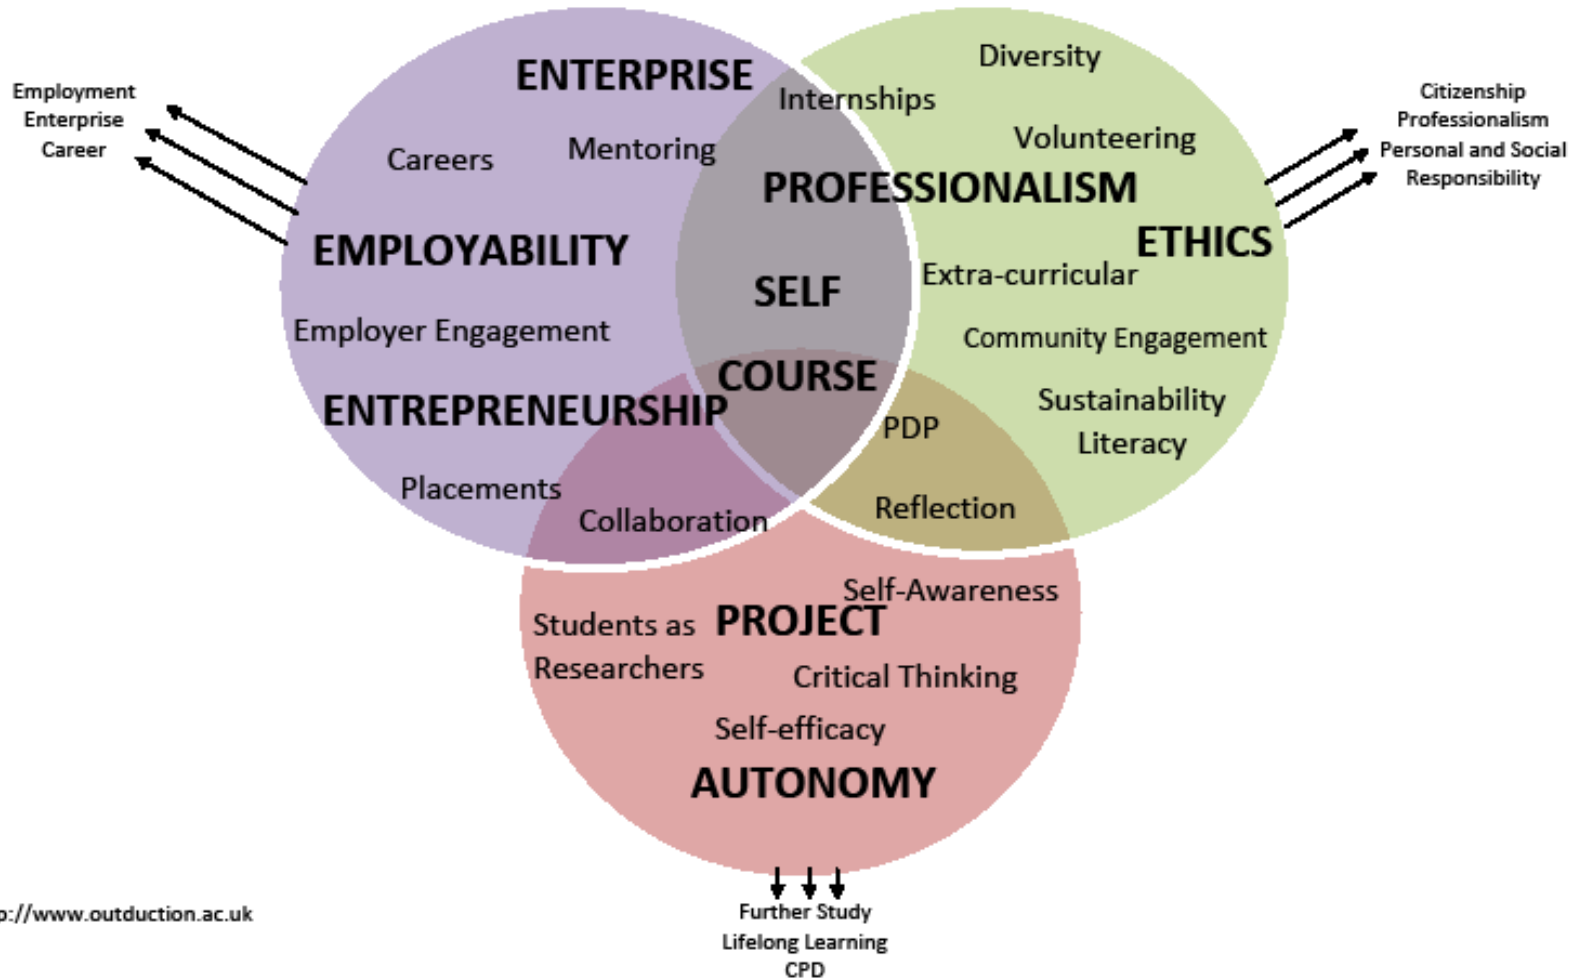

Project Strands

- Research-informed development project;
- Four collaborating academic schools/faculties;
- Portfolio of mini-projects and case studies;
- Student interns;
- Intra and Inter-institutional activity and learning.

Outduction

Mapping Issues, Themes & Domains of the Final Year Experience
